

## **Dr. Andreas Schneck**

Ludwig-Maximilians-Universität München

Department of Sociology

Konradstr. 6 80801 Munich

Room: 412

Email: [andreas.schneck@lmu.de](mailto:andreas.schneck@lmu.de)

Phone: +49 (0) 89 2180-2929

**Updated: December 2021**

### **ACADEMIC POSITIONS**

---

- Since 06/2019** Postdoctoral researcher at the chair of Prof. Dr. Katrin Auspurg for Sociology with a special focus on Quantitative Methods of Empirical Research, Ludwig-Maximilians-Universität München
- 10/2015-05/2019** Doctoral researcher at the chair of Prof. Dr. Katrin Auspurg for Sociology with a special focus on Quantitative Methods of Empirical Research, Ludwig-Maximilians-Universität München
- 04/2014-07/2017** Doctoral researcher at the chair of Prof. Dr. Katrin Auspurg for Sociology with a special focus on Quantitative Methods of Empirical Research, Goethe University Frankfurt a.M.
- 05/2013-05/2014** Researcher Young Scholar Fund, Initiative of Excellence: Publication Bias als soziales Dilemma: Neue theoretische und empirische Impulse  
Dr. Katrin Auspurg, University of Konstanz

### **EDUCATION AND PROFESSIONAL TRAINING**

---

- 2019** Bavarian Higher Education Teaching Certificate
- 2014-2019** PhD (Dr. rer. soc.), LMU Munich (summa cum laude – with greatest distinction)
- 2011-2013** Master Sociology, University of Konstanz (with distinction)
- 2008-2011** Bachelor Sociology, University of Konstanz (very good)

### **RESEARCH AND TEACHING FOCUS**

---

Social inequality (esp. discrimination in the housing/ labour market)

Quantitative empirical research methods (esp. data science / computational social science)

Statistics (esp. meta-analyses, Monte Carlo simulations)

Sociology of science (esp. scientific misconduct)

### THIRD-PARTY FUNDING

---

2021	Subproject in DFG-funded priority programme meta-rep, Enhancing the Robustness of Observational Social Science Research by Computational Multi-Model Analyses (together with Katrin Auspurg)	Own funding 189.045 €
	LMUexzellent PostDoc Fund	5000 €
2018	DAAD Travel-Grant, Annual Meeting der American Sociological Association, Philadelphia (USA)	1572 €
2016	DAAD Travel-Grant, Annual Meeting der American Sociological Association, Seattle (USA) & MAER-Net Colloquium, Hendrix (USA)	1676 €

### PROFESSIONAL SERVICES

<b>Reviews</b>	American Sociological Review, BMJ Evidence Based Medicine, Collabra, European Sociological Review, Field Methods, Journal of Ethnic and Migration Studies, Journal of Labour Market Research, Royal Society Open Science, Scientometrics, Social Science Research, Soziale Welt, Zeitschrift für Soziologie
<b>Boards</b>	Research Ethics Committee of the Faculty of Social Sciences at Ludwig-Maximilians-University Munich (LMU) (since 2016)
<b>Memberships</b>	American Sociological Association (ASA), Akademie für Soziologie (AS), Deutsche Gesellschaft für Soziologie (DGS), Meta-Analysis of Economics Research Network (MAER-Net), Open Science Center München, The Replication Network

### PUBLICATIONS

#### DOCTORAL THESIS

---

2019	<i>Andreas Schneck</i> : Das Problem dysfunktionaler Reputationssysteme am Beispiel von Fehlverhalten und Diskriminierung in der Wissenschaft. Kumulative Dissertationsschrift. München: Ludwigs-Maximilians-Universität. <a href="http://nbn-resolving.de/urn:nbn:de:bvb:19-243219">http://nbn-resolving.de/urn:nbn:de:bvb:19-243219</a>
------	--

#### JOURNAL ARTICLES WITH PEER-REVIEW

\* shared first authorship

# included in the cumulative doctoral thesis

---

2020	<i>Katrin Auspurg, Andreas Schneck &amp; Fabian Thiel</i> . Different Samples, Different Results? How Sampling Techniques Affect the Results of Field Experiments on Ethnic Discrimination. <i>Research in Social Stratification and Mobility</i> .
------	---

---

2019 \* *with Katrin Auspurg und Thomas Hinz*. Closed doors everywhere? A meta-analysis of field experiments on ethnic discrimination in rental housing markets. *Journal of Ethnic and Migration Studies* (19): 95-114

*Tobias Weinmann, Amal AlZahmi, Andreas Schneck, Julian Felipe Mancera Charry, Günter Fröschl & Katja Radon*: Population-based assessment of health, healthcare utilisation, and specific needs of Syrian migrants in Germany: what is the best sampling method? *BMC medical research methodology* (19).

---

2021 # *Andreas Schneck*: Are most published research findings false? Trends in statistical power, publication bias and p-hacking as well as the false discovery rate (1975–2017).

2014 \* *Katrin Auspurg & Andreas Schneck*: What difference makes a difference? – A meta-regression approach on the effectiveness conditions of incentives in self-administered surveys. Conference paper, MAER-Net Colloquium ([http://metaanalysis2014.econ.uoa.gr/fileadmin/metaanalysis2014.econ.uoa.gr/uploads/Schneck\\_Andreas.pdf](http://metaanalysis2014.econ.uoa.gr/fileadmin/metaanalysis2014.econ.uoa.gr/uploads/Schneck_Andreas.pdf)).

## TALKS AND POSTERS:

---

- 2021      Is the COVID-19 pandemic amplifying ethnic discrimination against Asians? Evidence from process-produced online-marketplace data. 3rd Conference of the Academy of Sociology. October 1., Online.
- More Refugees, More Discrimination? A two-wave field experiment on ethnic discrimination in the German housing market. Annual Conference of Experimental Sociology (ACES). September 16., Monte Verita (Ascona). (*with Katrin Auspurg & Renate Lorenz*)
- More Refugees, More Discrimination? A two-wave field experiment on ethnic discrimination in the German housing market. Annual Meeting of the ASA, Roundtable on Race and Discrimination,. August 10., Online. (*with Katrin Auspurg & Renate Lorenz*)
- The Effect of Authors Publication Record on Publication Bias in the Stereotype Threat Literature. 1st Workshop of the QUANT Group. April 29., Online. (*with Katrin Auspurg*)
- Are most published research findings false? Statistical power, publication bias and p-hacking as well as the false discovery rate in psychology and sociology. March 24., Cooperative Relations Seminar Utrecht University, Online.
- Is the Covid-19 pandemic amplifying ethnic discrimination? Evidence from processproduced online-auction data. Research Colloquium Analytical Sociology LMU Munich, February 10., Online.
- 2020      Are most published research findings false? Trends in statistical power, publication bias and p-hacking as well as the false discovery rate in psychology (1975–2017), Analytical Sociology, November 16.-17., Online.
- Are most published research findings false? Trends in statistical power, publication bias and p-hacking as well as the false discovery rate in psychology (1975–2017), Metrics International Forum, November 12., Online

Monitoring scientific integrity: Statistical power, publication bias & the false discovery rate in the psychological literature (1975-2017) Status Meeting Quantitative Research on Science, January 30., Fraunhofer-Forum, Berlin

2019

Are really most of our research findings false? An empirical estimation of trends in statistical power, publication bias and the false discovery rate, Poster-presentation, Analytical Sociology, November 18.-21., Venice International University.

Are really most of our research findings false? An empirical estimation of trends in statistical power, publication bias and the false discovery rate, Poster-presentation, 2rd Conference of the Academy of Sociology. September 27., Konstanz..

Monitoring Scientific Integrity: Statistical Power, Publication Bias & the False Discovery Rate in the Psychological Literature (1975-2017), 1<sup>st</sup> Workshop of the QUANT Group. October 2. Munich.

Are really most of our research findings false? An empirical estimation of trends in statistical power, publication bias and the false discovery rate, Research Colloquium Analytical Sociology LMU Munich, June 5., Munich.

Are really most of our research findings false? An empirical estimation of trends in statistical power, publication bias and the false discovery rate in psychological journals (1975-2017), poster-presentation, 5th Joint Statistical Meeting DAGStat (German Statistical Workgroup), March 18.-22., Munich.

2018

Appointment procedures as tournaments revisiting male and female scientists' chances of being appointed as professorships. Questioning Excellence, September 11., University of Lausanne. (*with Katrin Auspurg und Thomas Hinz*)

Closed doors everywhere? A meta-analysis on ethnic discrimination in rental housing markets“.Annual Meeting of the American Sociological Association, August 11.-14., Philadelphia (USA). (*with Katrin Auspurg & Thomas Hinz*)

Hello, neighbour! Measuring ethnic preferences and their role in residential segregation. Research-Colloquium Analytical Sociology, May 2., Ludwig-Maximilians-Universität München. *(with Christiane Bozoyan)*

2017

And in the long run all discrimination is gone? The impact of competition and vacancy times on discrimination in rental housing markets. Analytical Sociology, November 20.-23., Venice International University. *(with Katrin Auspurg and Fabian Thiel)*

Examining publication bias – A simulation-based evaluation of statistical tests on publication bias in meta-analyses. MAER-Net Colloquium, October 12.-14., Friedrichshafen

Hello, neighbour! Measuring ethnic preferences and their role in residential segregation. Herbsttagung der Sektion Stadt- und Regionalsoziologie in der DGS „Aktuelle Fragen der Stadt- und Regionalsoziologie“, October 6.-7., Dortmund. *(with Christiane Bozoyan)*

Ethnische Diskriminierung auf dem Deutschen Wohnungsmarkt Ergebnisse aus einem Feldexperiment. Statistik Tage des Bayerischen Landesamts f. Statistik, July 27-28., Bamberg. *(with Katrin Auspurg)*

Hello, neighbour! Measuring ethnic preferences and their role in residential segregation. Conference of the European Survey Research Association, July 17.-21., Lisbon. *(with Christiane Bozoyan)*

2016

News from the DDD: How Fraudsters Cheat in the Social Sciences. Rational Choice Sociology, November 21.-24., Venice International University. *(with Katrin Auspurg and Thomas Hinz)*

Hello, Neighbour! A Survey-Based Application of Schelling's Segregation Model. Poster-presentation, Rational Choice Sociology 21.-24. November, Venice International University. *(with Christiane Bozoyan)*

“Choosing the right layer. Does finer context-data improve insights into mechanisms of discrimination?. Poster-presentation, Rational Choice Sociology, November 21.-24., Venice International University. *(with Maximilian Sonnauer)*

Liegt der Teufel im Detail? Chancen und Herausforderungen feinstrukturierter Geodaten. Erkenntnisse aus einem Feldexperiment zur Diskriminierung auf dem deutschen Mietwohnungsmarkt. Kongress der Deutschen Gesellschaft für Soziologie, September 26.-30., Bamberg. *(with Maximilian Sonnauer and Katrin Auspurg)*

A meta-analysis on field experiments on ethnic discrimination in the housing market. MAER-Net Colloquium, September 15.-17., Hendrix (USA). *(with Katrin Auspurg)*

Appointment procedures as tournaments: revisiting male and female scientists' chances of being appointed as professor. Annual Meeting der American Sociological Association, August 20.-23. Seattle (USA). *(with Katrin Auspurg and Thomas Hinz)*

Warum wir immer noch auf der Stelle treten – Publication Bias in Meta-Analysen. Konferenz Wissenschaftlicher Fortschritt in den Sozial- und Humanwissenschaften?, June 11./12., Universität Leipzig. *(with Katrin Auspurg)*

Migrant/innen willkommen, aber nicht in der Nachbarschaft? Survey-Experimente zu Segregationspräferenzen. Questback User Summit, June 2., Köln. *(with Katrin Auspurg)*

2015 Convincing evidence? A meta-analysis on ethnic discrimination in the housing market. Rational Choice Sociology, November 16.-18., Venice International University. *(with Katrin Auspurg and Thomas Hinz)*

Closed doors everywhere? A field experiment in the German rental housing market. Poster-presentation, Rational Choice Sociology, November 16.-18., Venice International University. *(with Maximilian Sonnauer und Katrin Auspurg)*

“Is it really worth the effort? A meta-regression approach on the (cost-) effectiveness of incentives in self-administered surveys. Konferenz der European Survey Research Association, July 14.-17., Reykjavik. *(with Katrin Auspurg)*

Vignette studies in Labour Market Research. nncr on the move Workshop on Factorial Surveys in Labour Market Research, May 21., University of Lausanne. (with *Katrin Auspurg*)

2014 Auf der Suche nach ‚Signifikanz‘ – Indizien des Signifikanztrimmens. Poster-presentation, Rational Choice Sociology, November 10.-13., Venice International University. (with *Katrin Auspurg*)

What difference makes a difference? – A meta-regression approach on the effectiveness conditions of incentives in self-administered surveys. MAER-Net Colloquium, September 11.-13., Athens. (with *Katrin Auspurg*)

Meritokratie, Diskriminierung oder Selbstselektion? Berufungschancen von Wissenschaftlerinnen und Wissenschaftlern an der Universität Konstanz Gender in Progress February 12. University of Konstanz. (with *Katrin Auspurg and Thomas Hinz*)

2013 Just Taking the Gift or Returning the Favor? A Meta-Analysis on the Effects of Incentives for Survey Participation. Rational Choice Sociology, November 18.-21., Venice International University. (with *Katrin Auspurg*)

Wissenschaftlerinnen in Berufungsverfahren der Universität Konstanz im Zeitraum 2001-2011. Gender in Progress, January 25., University of Konstanz. (with *Andreas Filser and Katrin Auspurg*)

2012 Respondent-Driven-Sampling – eine valide Stichprobenmethode in versteckten Populationen?. Poster-presentation, 36. Kongress der Deutschen Gesellschaft für Soziologie, October 1.-5., Bochum/ Dortmund

## TEACHING

---

Fall 2020/21	Datenerhebung (Seminar MA)
Fall 2019/20	Übung zur Bachelor- und Masterarbeit (BA) Übung Analytische Soziologie Datenerhebung (Seminar MA)
Spring 2019	Computational Social Science (BA Research Course)
Fall 2018/19	Datenerhebung (Seminar MA, with <i>Katrin Auspurg</i> )

	Meta-Analysen - eine quantitative Methode zur Zusammenfassung des Forschungsstands (BA)
	Social Network Analysis (BA in Englisch)
Spring 2018	Data Science (BA Research Course)
Fall 2017/18	Einführung in das wissenschaftliche Arbeiten (BA)
	Übung zur Bachelor- und Masterarbeit (BA)
	Social Network Analysis (BA in Englisch)
Spring 2017	Methoden der quantitativen Sozialforschung II (BA)
Fall 2016/17	Meta-Analysen - eine quantitative Methode zur Zusammenfassung des Forschungsstands (BA)
Spring 2016	Methoden der quantitativen Sozialforschung II (BA)
Fall 2015/16	Methoden der quantitativen Sozialforschung I (BA)
Spring 2015	Ethnische Diskriminierung auf dem Wohnungsmarkt II (Forschungsseminar BA)
Fall 2014/15	Ethnische Diskriminierung auf dem Wohnungsmarkt I (Forschungsseminar BA)
Spring 2014	Meta-Analysen - eine quantitative Methode zur Zusammenfassung des Forschungsstands (MA)
